

6-IN-1 USB DATA AND POWER CABLE WITH MAGNETIC ATTACHMENT

You can keep the practical 6-in-1 data and power cable with tag with you all the time. It offers a solution for four different requirements and is very compact. The data and power cable includes 5 connectors. On the one side, you can have a USB-A or USB-C (Type-C) connector. On the output side, you will find USB-C (Type-C), Lightning and Micro USB connectors. Thanks to the practical magnetic fastener and additional ring, the cable is the ideal keyring which you can keep on you at all times. When selecting the cable, you can choose from many different colours and any print of your choice can of course be added to the universal cable.
