

## SET OF WIRELESS MOUSE PAD AND WIRELESS MOUSE WITH WIRELESS CHARGING FUNCTION, CMYK + LED LOGO

No stylishly furnished modern office should be without a wireless mouse and wireless charging mouse pad set. This practical and elegantly designed wireless mouse and mouse pad will suit every desk perfectly. The advantage to this set is the minimum cables required and its unique, custom-made appearance. The mouse pad, which uses induction technology, can be also used to charge mobile telephones with Qi charging technology, etc, as well as the mouse itself. So you can kill two birds with one stone. The mouse pad and mouse can be printed according to your wishes using CMYK colour technology, creating an exceptionally impressive and practical set suitable for every desk. In addition, your LED logo may be lit on the mouse.
