

HIGH-CAPACITY DUAL POWER BANK WITH LCD DISPLAY, 15000 MAH

This elegant dual power bank will ensure you have enough energy for your electronic devices wherever you are. The exceptionally high battery capacity is enough to charge a mobile phone battery several times. In order to speed up charging of mobile phones from the power bank, there is a USB port with support for fast charging, whereas you can also charge a second device at the same time at regular speed. The charging input to the power bank also supports higher performance power supply for faster battery charging. Current battery capacity and information about the current value at the input and outputs is displayed on an easy-to-read LCD display. The device is also equipped with an LED torch if needed. Can be used to charge all electronic devices with the USB charging standard - mobile phones, handhelds, GPS devices and mp3 players etc.

Product code: PBA15000

Minimum order: 50 pcs

Availability: 3 - 5 weeks

More parameters:

Battery: Li-pol, capacity 15000 mAh

micro USB input: 5 V / 2 A

USB ports: 5 V/2.1 A + 5 V/1 A

Material: plastic, metal

LCD display

LED torch

Capacity	15000mAh,
