

## Flat compact square power bank, 2000-5000 mAh

FLAT COMPACT POWER BANK (PORTABLE CHARGER) WITH WIDE RANGE OF BRANDING OPTIONS, 2000-5000 mAh. The main advantage of this model is the option of promotional print in CMYK over the whole surface of the product, enhanced by the option of using a colour of your choice from the PANTONE pallet on the sides. The charger is also extremely portable, lightweight and offers various capacities. The power bank is charged via a computer USB connector (or mains adapter), and you can then charge your mobile telephone or other device via micro USB or another connector. The fully charged power bank provides 1 -3 charges for a mobile telephone depending on the battery capacity of the telephone and the chosen capacity of the power bank. Charges iPhones, iPads, Smartphones, tablets, MP3 players, iPods, cameras, e-cigarettes etc.

**Product code:** PBA5045  
**Minimum order:** 50 pcs  
**Availability:** 3 - 5 weeks
