

## Power bank with LED logo and built-in cable, 4000/5000 mAh

A back-up power supply for charging a mobile device always comes in handy and this universal power bank with a LED logo and built-in cable performs precisely this function. An advantage of external chargers is the presence of a 2-in-1 built-in cable with Micro USB and Lightning for quick and problem-free charging of a mobile device. Apart from the cable, there is also a conventional USB port. Choice of the logo which will be lit up in an eye-catching manner when the power bank is active is a choice for you alone to make. The resulting external charger will not only be a practical piece of travel kit, but also a stylish promotional item.

**Product code:** PBA5089

**Minimum order:** on request

**Availability:** na dotaz

### More parameters:

Charges smartphones (Android), iPhones, Windows Phones, iPads and tablets (Android), and also a wide spectrum of electronic devices (cameras, video cameras, navigation devices, portable electronics, e-cigarettes, e-readers, portable games consoles, etc.)

Battery type: Class A lithium polymer

Battery capacity: 4000/5000 mAh
