

SQUARE POWER BANK IN IMITATION LEATHER, 3000 - 10,400 MAH

You can create a genuinely original power bank with our imaginative full-area full-colour print - now from 50 pieces and at low prices. This square power bank with a flat case with imitation leather and a large print area makes it possible. It contains a remaining-capacity indicator using four diodes. Thanks to its small size you can carry this model of power bank with you in your pocket or hand luggage all the time and charge your mobile devices with the included USB cable whenever you need. The power bank is charged via a computer USB connector (or mains adapter). Charges iPhones, mobile telephones, MP3 players and cameras etc.
