

WIRELESS POWER NOTEBOOK WITH USB FLASH DRIVE, 8000 MAH

You can keep your notes and a charged mobile phone by your side at all times thanks to this practical wireless power notebook, which contains an external charger. The high-quality boards of the notepad are equipped with a built-in power bank. With it you will be able to charge wirelessly, and if your mobile device does not allow this option, you can use the built-in 3in1 cable with micro USB, USB-C (Type-C) and Lightning connectors. The closing buckles include a practical and small USB flash drive, where you can store more necessary data. You can adapt the style of the pages in the notebook however you like and choose either a classic pad, your own customer content or, for example, a diary. You can equip the notebook with the power bank and USB flash drive with a printing or embossing according to your wishes. But we definitely recommend using the unique LED logo for branding!

Product code: PBNB500
Minimum order: 100 pcs
Availability: 3 - 5 weeks

More parameters:

This notebook power bank allows the wireless charging of mobile phones supporting the Qi wireless charging standard

Through its built-in output cables it charges smartphones (Android), iPhones, Windows Phones, iPads and tablets (Android), and also a wide spectrum of electronic devices (cameras, video cameras, navigation devices, portable electronics, e-cigarettes, e-readers, portable games consoles, etc.)
