

SLIM WIRELESS 15W FAST-CHARGING PAD WITH CMYK + LED LOGO

Experience the future of charging today! The wireless fast-charger allows the charging of a mobile phone (or other device) with a Qi receiver without the need to connect it using a cable. The Qi receiver may already be included in the phone, or can be purchased separately. All you then have to do is place the telephone on the pad and charging will begin automatically. Our Qi chargers are suitable for all smartphone or iPhone models equipped with a receiver for wireless charging.
