

BAMBOO WIRELESS 10 W FAST-CHARGER

Experience the future of charging today! The wireless rapid charging pad (10 W) allows the charging of a mobile phone (or other device) with a Qi compatible receiver without the need to connect it using a cable. The Qi compatible receiver may already be included in the phone, or can be purchased separately. All you then have to do is place the telephone on the pad and charging will begin automatically. The bamboo pad in natural colors and with a drawing of wood is suitable for nearly any interior design. Our Qi compatible chargers are suitable for all smartphone or iPhone models equipped with a receiver for wireless charging.
