

WIRELESS POWER BANK WITH BUILT-IN CABLES, 5000 MAH

High-quality wireless power bank with capacity of 5000 mAm. The flat design of the case offers a lot of space for CMYK printing. Contains built-in charging cables and all of the most widely used connectors, Micro USB, USB-C (Type-C) and the Lightning connected preferred by iPhone users. Apart from built-in cables, it also has a USB output for a standard charging cable and offers the option of wireless charging with the aid of induction technology. If your telephone does not have the Qi charging function, it is possible to equip it with an external Qi receiver. Thanks to the slim design, small size and low weight, you can carry it with you all the time in your pocket or handbag and charge your mobile device whenever you need. Charges iPhones, smartphones, MP3/MP4 players and video cameras etc.

Product code: PBQ5099

Minimum order: 50 pcs
