

## BLUETOOTH HEADPHONES WITH CMYK AND LED LOG

The absence of a cable means these wireless headphones provide great freedom of movement. Overhead headphones are very comfortable and provide quality sound. At the same time they isolate you from surrounding noise very well. Their shape provides a large area for printing. They can be customized in an original way. Your own chosen backlit LED logo will create a magic design. When ordering over 50 pieces you can choose your own Pantone color. Together we will create an unrivalled luxury gift.
