

BLUETOOTH SPEAKER WITH LED LOGO OPTION

A modern Bluetooth speaker with LED light-up logo and TWS (True Wireless Stereo) function, with a pleasant rubber surface and a practical rest. This wireless speaker features a battery with a capacity of 300 mAh for up to 3 hours of music playback. The speaker connects to mobile devices through Bluetooth 4.0 technology. The illuminated LED logo, available in several colours, is a distinctive feature of this speaker. It can also feature a print. The original finish using rubberised plastic is durable and pleasant to the touch. Using the TWS function you can wirelessly connect any two speakers to enjoy quality stereo sound!

Product code: SPE091

Minimum order: 1000 pcs
