

### 3-in-1 Bluetooth speaker, stand and wireless charger with LED logo

A very stylish and elegant wireless mobile phone charging stand with LED logo. Just place your mobile phone there to charge. The multifunctional properties of the stand with wireless Qi compatible charger are enhanced by a speaker. The clean and simple design of the stand is topped off by a white LED logo. The LED logo is positioned at the bottom of the stand to ensure that it catches your eye at first glance. This creates an attractive and practical gift item which will adorn each and every office.

**Product code:** SPE104  
**Minimum order:** 100 pcs  
**Availability:** 2 - 4 weeks

#### More parameters:

Portable active speaker stereo system (with built-in amplifier) connected wirelessly to a player (compatible mobile phone or tablet) and integrated wireless charger. Allows the wireless charging of mobile phones supporting the Qi wireless charging standard.

Type of system: stereo system, active, portable

Construction: 2x broadband speaker

Battery type and capacity: Lithium polymer, 400 mAh

Playback duration per charge: up to 4 h

Peak music power output: 3 W

The speaker can play any frequency within the range: 240 Hz - 18 kHz

Signal to noise ratio: greater than 75 dB

Impedance (resistivity): 4 ohms
