

## USB OTG flash drive king

A new product on the market and an excellent gift for everyone who moves with the times. Multipurpose MINI USB flash drive KING with standard USB and micro USB connector for connecting to a mobile phone or tablet. OTG flash drives work with mobile telephones and tablets, which support OTG function, with Android, version 4.3 and newer - most devices manufactured from 2012. Thanks to this function we can easily increase their memory capacity, or easily transfer photos and other data. A strap can be attached - ideal as a key tag or mobile phone tag! Suitable for a small printed or laser engraved logo.
