

RETRACTABLE USB FLASH DRIVE WITH LED LOGO

This unique retractable USB flash drive will dazzle you with its LED Light-Up logo available in various colours. The flash drive is compatible with all used operating systems and thanks to its compact size, is the ideal drive to have with you every day. You can choose from the conventional transfer speed 2.0 or the faster 3.0. The fine workmanship and elegant design make this the perfect practical item for presentation of your brand. Choose from the specified colours and decide which colour your logo will be lit up in. Choose the most suitable of the capacities on offer and get an original flash drive for data storage which everyone will be asking about. The flash drive has an eyelet which you can attach a strap to.
